

Action Item for Arbella Download Agents

We want you to be ready for our new **Arbella Indemnity** and **Arbella Protection** insurance pricing so here's what you need to know for download. Please share this information with your agency download coordinator or contact your agency management system's download department for assistance.

A one-time set-up is required to add Arbella's two additional companies or you won't receive download for home and condo policies written in Arbella Indemnity and Arbella Protection.

Please add the following companies, NAIC codes, and lines of business codes:

- Arbella Indemnity with NAIC Code 10017
- Arbella Protection with NAIC Code 41360
- Lines of business: Homeowner and Condo

Contact your agency management system's download support department to ensure your set-up is correct and can accommodate this change. If you have questions about this process, please contact interfacesupport@arbella.com.
