WHY CARPARTMENT™?

It's the easiest, most efficient (not to mention most awesome) way to protect absolutely everything you love. Your car. And your stuff.

Here's the skinny. When you insure your car with Arbella, you can add renters coverage for as little as \$3 a week.* That's protection at a price too good to ignore.

YEAH, BUT DO I EVEN NEED RENTERS?

You might be surprised at just how much valuable stuff you've got lying around your apartment. We live in tech-crazed times. Your flat screen, your smartphone, your laptop and tablet, it all adds up. Throw in your wardrobe, sneaker collection, furniture, kitchenware, musical instruments and whatever else you're into, and we're talking serious dollars. Good thing protecting all of it now comes at a nominal price.

As one half of your Carpartment™ insurance, your renters policy covers more than just personal property. It also covers loss of use, personal liability, medical payments and additional coverages. That can mean a hotel and a restaurant if your apartment is unlivable, and protection from lawsuits or medical expenses due to injuries on your premises. Not to mention special coverage for things like identity theft, electronics and computers. That's a lot of protection for as little as \$3 a week.*
