

## INSTRUCTIONS TO DEFAULT ARBELLA ADVANTAGE DISCOUNT FOR ARBELLA AUTO NEW BUSINESS WINRATER QUOTES

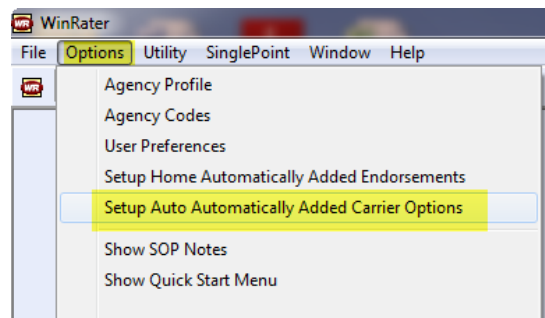

More new business customers now qualify for the Arbella Advantage Discount. ***It's easy to default the Advantage Discount for all of your Arbella auto new business WinRater quotes.*** You no longer have to remember to apply it! If your customer is new to Arbella, start rewarding them today with a 7% discount on new business and a 3.5% discount on their first renewal.

If the customer is not new to Arbella, they are ***not eligible*** for the discount. This means you will need to ***change the default to "NO"*** by unclicking the "Arbella- Advantage" field located on the "Carrier Options" screen.

To set the default on network installations, a one-time set-up only takes 6 clicks. For stand-alone installations, each computer will need to be set-up separately.
